Very excited for Front Mission 1-3 on Switch.
Hopefully this leads to 4 and 5 (would be the first official localization).

I'm more excited about Front Mission 1-3 remakes on the Switch than anything. Those were some awesome games. #frontmission 1-4 were some good times.

Front Mission 1 and 2 timeframes announced, and Front Mission 3 confirmed to receive the same Remake treatment?! Hell yeah!!! #wanzersareback !!! #frontmission #NintendoDirect
RPG gamers - we are living our best dreams 2021 - 2024! This feels like a new golden era!

Bryan Fernandes @BryanFdN92 · Sep 14
It felt inevitable but I didn't think it would be confirmed so soon.

Front Mission 3 means so much. Absolute classic. My first strategy RPG and it's getting the remake treatment sometime in the future. I'm so excited for Front Mission's resurgence. Bring it on. #WanzersAreBack

Fans of Nintendo, Xbox and PlayStation - what are you fine folks looking forward to next on each platform? Big games, small games - anything goes! What's on your list?

Remake'i Front Mission. Ciekawi mnie czy ktoś sięga po te remake'i poza ludźmi, którzy kiedyś grali w stare odsłony. #NintendoDirect

Osobiście będę brał wszystkie trzy części w pudełku jak tylko będzie taka opcja. Front Mission 1 i 3 były super. Dwójki nie miałem. Tytuł idealnie pasuje do NS. W Japonii sprzedaje się na pewno solidnie. Dla mnie złote czasy, tyle gier z dzieciństwa odnowionych.

I love they are going to remake 3 games. Really a great chance to play the saga from the start.

My first FM was FM3. I loved every minute of it. I didn't know until later that it had 2 very different story lines. FM1 I played for the SNES, it was damn good. I hope the FM2 fan trans gets completed. I will be buying the remake of FM1.

Between Triangle Strategy, Diofield Chronicle, Tactics Ogre Reborn and Front Mission 1st Remake... Square Enix is catering to SRPG fans in a way they haven't in well over 10 years.

Love to see it!
